## Speakers

**Steven Keteyian, PhD, FAACVPR**

*Dr. Keteyian is the Director of Preventive Cardiology at Henry Ford Hospital, Detroit. He serves on the AACVPR Board of Directors*

**Glenn Feltz, PsyD, FAACVPR**

*Dr. Feltz is a clinical psychologist in private practice and he provides consultation, treatment, and training for cardiopulmonary rehabilitation programs. He is a past president of AACVPR and chairs the Healthcare Reform Committee.*

**Len Geiger, BS**

*Len is the recipient of a double lung transplant due to Alpha-1. He has appeared on CNN, The Today Show, Discovery Health Channel, World News Tonight and PBS, with the sole purpose of advocating for better understanding of Alpha-1 for medical professionals and the public.*

**Brian Keller, MD, PhD**

*Dr. Keller is an assistant professor and lung transplant pulmonologist at OSU-Wexner Medical Center. He completed his medical and graduate training at the Medical Scientist Training Program at the University of Texas Southwestern Medical School*

**Bonnie Anderson, MS, RCEP, CEP, MAACVPR**

*Ms. Anderson is the manager of the Cardiopulmonary Rehab program at Vernon Memorial Healthcare in Viroqua, WI. In addition to multiple leadership roles in AACVPR, she has been the most recognized face and voice behind AACVPR program certification since its inception.*

**Amy Knight, PhD**

*Dr. Knight is a clinical neuropsychologist and Assistant Professor at the University of Alabama at Birmingham. She provides behavioral health services for the Cardiopulmonary Rehabilitation Program at UAB, including consults, counseling, support groups, and classes in coping skills and stress management.*

**Selena Baker, MS, RD, LD**

*Ms. Baker serves as a dietitian in cardiac and ICU settings. She performs education and one-on-one nutrition counseling at the wellness program and cardiopulmonary rehabilitation program at Ohio University.*

**Gretchen Hammond, PhD, MSW**

*Dr. Hammond has worked in human services and addiction treatment and has been a Community Lecturer at OSU. Her company provides program and staff development services to organizations working in human service and public health.*
